The Year of the Family!!

I can not believe that we are already at the end of January 2012. This year Chapel Hill is celebrating the year of the family. What is the year of the family and how does it affect you? I am so glad you asked. Let me answer that question by sharing with you what the Livingstons will be trying to focus on this year. As the spiritual leader of my home I will strive to have my family in the word of God every week. I am also consciously planning my schedule to include more time with my family. We will also be participating in the church family activities that are being planned for the entire year. To help me, and you, with the year of the family the staff has developed various activities that families of all ages and sizes can participate in. Each week check the bulletin for the upcoming weeks memory verse, scripture, and fun family activity. These will help us stay focused on spending time with our family throughout the week. The church is also planning a larger family event once a quarter to not only spend time with your family, but also your church family. The first family event of the year is bowling. Hurry you don't want to miss it this Friday at 6:00 be at AMF Bama Lanes. Come see if you can beat me or Mr. Kevin. So what is the Year of the family. It is anything you will make it, what will your family accomplish in 2012?

Sunday Nights and YOU!!

Starting February 12th there is something for everyone at Chapel Hill. At 5:15 each Sunday night we will offer a Divorced Care for Kidz class. This class is open to every child that has gone through a divorce of their parents. We will also be offering a Divorce class for moms at the same time. At 6:30 we will be offering a variety of other small groups from a Courageous Men's study and a women's study to a in depth bible study. There is something for everyone. Help us minister to you and your family through participating in these small groups. While you are in small groups your child will be diving into God's word and learning how to use His word every day.

Ocean Floor and Family Worship!

Our Ocean Floor worship center is almost a year old. We are excited to have Josh Ball leading our wonderful Coral Reef band each Sunday morning. We would love to have you come worship with us anytime you would like, but if you do not want to miss your Sunday worship or Sunday School come join us on February 19th for an awesome Family Worship at 6:00. We promise we will get you out in time for your small group. Come pack the Ocean Floor as we lift our voices to our LORD!!

So proud of our Chloe, Cara, Paislee and Blason for following Jesus in believers baptism!!

Spotlight on Kidz

Don't forget to vote for your child's teacher for the volunteer spotlight of the month by emailing, texting or calling Mr. Rob

Teachers don't forget to nominate a child in your class by emailing, texting or calling Mr. Rob

Brandon Waller is our February spotlight on Kidz. Brandon was nominated by his Wednesday night leaders, Adam Anglin and Jason Barclay. In their words, "Brandon has been working hard to set the example for the other kids and do what he is asked. Brandon actively participates in Sunday worship, Sunday school, and obviously Wednesday nights mission activities. When you see him tell him congratulations on being selected by his teachers. Keep up the good work Brandon! I am proud of you!!

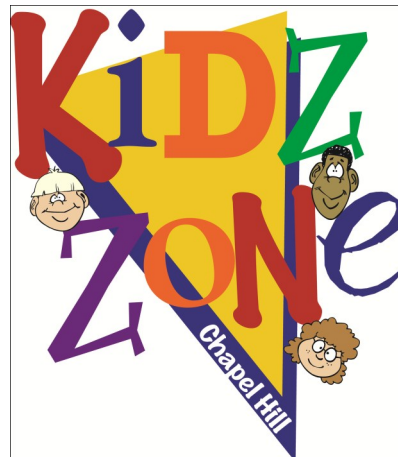

Spotlight on Volunteers

Our February spotlight on Volunteers goes to our very own Kidz Chef Jason Barclay. Jason works with our GI Joe's on Wednesday nights. He loves working with each of the guys and is excited about what God is doing in the life of these boys through missions. When he is not teaching the guys about missions he has been caught making blankets for the nursing home and smoking Boston Butts for our parent lunches. When you see Jason let him know we appreciate him and are glad he is part of our Wednesday night Mission team!
